

# Community Mural and Notice Board coming soon!

The creation of a mosaic mural and notice board, designed and made by you, the community of Llandeilo, is due to begin this September.

Following extensive community consultation we will design and make the mural at the large and lovely workshop space at The Hang Out. It will then be installed on the side wall of Hugh Evans and Son Butchers (in the walkway opposite Nigel Williams Pharmacy).

If you would like to get involved please let me know by booking onto 1 or more of the below workshops by emailing me at [dani@danileearts.co.uk](mailto:dani@danileearts.co.uk)
